UTokyo Summer Study Abroad Programs with Scholarships

Pre-GEfIL Project 2015

2014 2nd Mini Study Abroad Fair
Hongo: Tuesday, December 9, 2014
Komaba: Thursday, December 11, 2014
What is “Pre-GEfIL Project”?

From 2016, UTokyo’s special undergraduate program GEfIL (Global Education for Innovation and Leadership) will commence.

As a precursor to GEfIL, we are running our ‘Pre-GEfIL Project’.*

Target : Undergraduate students

*2015 is the last round of the Pre-GEfIL Project! From 2016, only GEfIL students proper will be able to participate in our summer schools.
Features of “Pre-GEfIL Project”

- Summer programs of top-class international universities and other higher education institutions.

- Harvard University
- Stanford University
- Ludwig Maximilian University of Munich
- HEC Paris
- Copenhagen University, School of Global Health
- Peking University (PKU)
- Cambridge University
- Oxford University
- Pembroke College, Cambridge
- King’s College London
- London School of Economics and Political Sciences (LSE)
- Geneva Graduate Institute
Features of “Pre-GEfIL Project”

- Participating students will be able to meet and collaborate with peers and researchers from all over the world, establish their own international networks, and experience a piece of student life at some of the most famous international universities.
