

To those who registered to TFT (UTokyo Online Community)

Starting in 2006, TFT is an online directory system unique to UTokyo to which around 39 thousand individuals including alumni, current students, faculty, staff and EMP graduates, have already registered, allowing alumni to be connected worldwide. In order to enrich the registered information, your cooperation is imperative. Please take this opportunity to review your registration information.

Update your profile by yourself

You can update information on your residential address, e-mail address, or career changes online. For those who have forgotten your ID or password, please use Form for password reissuing. It will be sent to your e-mail address registered to TFT.
