

To those international students who will graduate in Spring 2017.

This is the Alumni Office, the University of Tokyo.

Congratulation on your graduation from UTokyo!

1. Overseas Alumni Associations: Furthering Our Global Alumni Network

Come meet UTokyo alumni living in your area who are waiting for your contact. There are already 51 overseas alumni associations in 31 countries/regions all over the world.

If an alumni association does not exist in your area, you can organize it even with just a few members. Please contact us at utaa.adm@gs.mail.u-tokyo.ac.jp so we can help you organize a UTokyo alumni association in your region.

2. Invitation to the "TFT" UTokyo Online Community

Starting in 2006, TFT is an online community unique to UTokyo to which around 41 thousand individuals including alumni, current students, faculty, staff and EMP graduates, have already registered, allowing alumni to be connected worldwide.

If you register with TFT, you can learn about the University of Tokyo of today from our email magazines. You will also be able to search for alumni online in order to make new contacts and update information on your residential address, mailing address, and career changes online.

Why not register right now?

Click [here](#) to register.

*If you have already registered with TFT as a current student, please register again as an alumnus/ alumna since more services are available for the alumni.

3. International Alumni Newsletter

This is an online newsletter offered in English. Registrants are given updated information about the University, research results and activities of overseas alumni associations.
