Additional documents

Home institution must send by mail to UAM:

- **Official nomination letter** (can be sent by email to ori.movilidad@uam.es).
- **Copy of passport**
- **Official transcript of records**
- **Learning agreement** (download), with the list of courses that the student would like to take at UAM, approved by the Home Institution. The students must enroll a minimum of 12 ECTS per semester (exemptions can be considered upon request from the Home University). In case they would like to take courses from different Faculties, remind them that at least 51% of the courses selected must belong to one Faculty (e.g. three courses from three different Schools are not accepted, in this case, 2 courses must belong to one School, and the 3rd course can be taken from a different School).

International exchange students may not join first year degree courses (exceptions can be made upon the Faculty).

The learning agreement contains the courses that the student would like to take at UAM, considering two levels of preference:

1. **DETAILS OF THE PROPOSED STUDY PROGRAMME**: This section must contain the courses that the student would like to take at UAM, in order of preference.

2. **ALTERNATIVE COURSE UNITS IN ORDER OF PREFERENCE**: This section must contain alternative courses in which the student can be enrolled in case any of the above are not available, in order of preference.

For each selected course it has to be indicated the LEVEL and the SEMESTER.

Once the application is complete and the additional documents have been received by the IRO, the letter of acceptance will be issued within 15 days after the application closing date, provided that the candidate achieves all UAM requirements. The Schools at UAM will review the courses selection to check the availability of places, and the student will be contacted in case changes in the learning agreement are required.

**Housing / Accommodation**

UAM offers on-campus and off-campus accommodation.

There is an on-campus dorm called "Residence Erasmo Hall", which is open to all international students. The Erasmo Residence Hall is the perfect option if you are looking for accommodation close to our university. It is located on the Cantoblanco Campus of the UAM a few meters from the faculties and very well connected with the city center. In case the students are interested in booking a room at the dorm, they have to apply directly at Erasmo Residence:

http://www.resa.es/eng/Residences/Erasmo

Also, there is an off-campus dorm affiliated to the UAM, the "Colegio Mayor Juan Luis Vives", which is very close and that might be of special interest for students of Medicine, due to its nearness to the Faculty of Medicine. Further information about this accommodation can be found on the following website: www.uam.es/cmlv

For those students who wish to live in the city center, sharing an apartment or on their own, the University has signed a collaboration agreement with the company Aluni.NET.

**Reception Office**

The International Welcome Office will be responsible for providing comprehensive assistance to international students, researchers and professors, and attending to their orientation needs, both academic and administrative.
