

1. Tokoro Research Laboratory (Graduate School of Humanities and Sociology)
2. University Forest in Hokkaido (Graduate School of Agricultural and Life Sciences)
3. International Coastal Research Center (Ocean Research Institute)
4. Nuclear Professional School (Graduate School of Engineering)  
Neutron Science Laboratory (Institute for Solid State Physics)
5. Animal Resource Science Center (Graduate School of Agricultural and Life Sciences)
6. Research Facility for Radiation Breeding (Graduate School of Agricultural and Life Sciences)
7. Tsukuba Seismological Observatory (Earthquake Research Institute)
8. Nikko Botanical Garden (Graduate School of Science)
9. Kakioka Research Center (Graduate School of Engineering)
10. University Forest in Chichibu (Graduate School of Agricultural and Life Sciences)
11. Dodaira Seismological Observatory (Earthquake Research Institute)
12. Center for Nuclear Study (Wako branch at RIKEN) (Graduate School of Science)
13. Kashiwa Campus  
Kashiwa II Campus
14. Kemigawa Athletic Ground  
Experimental Station for Landscape Plants (Graduate School of Agricultural and Life Sciences)  
Experimental Station for Medicinal Plant Studies (Graduate School of Pharmaceutical Sciences)
15. Chiba Experiment Station (Institute of Industrial Science)
16. University Forest in Chiba (Graduate School of Agricultural and Life Sciences)
17. Nokogiriyama Geophysical Observatory (Earthquake Research Institute)
18. Marine Biological Station (Graduate School of Science)  
Aburatsubo Geophysical Observatory (Earthquake Research Institute)
19. Izu-Oshima Volcano Observatory (Earthquake Research Institute)

20. Yahiko Geophysical Observatory (Earthquake Research Institute)
21. Tambara Institute of Mathematical Science (Graduate School of Mathematical Science)
22. University Forest at Yamanakako (Graduate School of Agricultural and Life Sciences)
23. Fujigawa Geophysical Observatory (Earthquake Research Institute)
24. Akeno Observatory (Institute for Cosmic Ray Research)
25. Kiso Observatory (Graduate School of Science)
26. Shin'etsu Seismological Observatory (Earthquake Research Institute)
27. Asama Volcano Observatory (Earthquake Research Institute)
28. Komoro Volcano-Chemical Laboratory (Earthquake Research Institute)
29. Yatsugatake Geo-electromagnetic Observatory (Earthquake Research Institute)
30. Norikura Observatory (Institute for Cosmic Ray Research)  
Suzuran Branch Office (Institute for Cosmic Ray Research)
31. Kamioka Observatory (Institute for Cosmic Ray Research)  
Kamioka Satellite (Institute for the Physics and Mathematics of the Universe)
32. Arboreal Research Institute (Graduate School of Agricultural and Life Sciences)
33. Fisheries Laboratory (Graduate School of Agricultural and Life Sciences)
34. Students' Recreation House, Heda
35. Students' Recreation House, Shimogamo
36. University Forest in Aichi (Graduate School of Agricultural and Life Sciences)
37. Wakayama Seismological Observatory (Earthquake Research Institute)
38. Hiroshima Seismological Observatory (Earthquake Research Institute)
39. Kirishima Volcano Observatory (Earthquake Research Institute)
40. Muroto Geophysical Observatory (Earthquake Research Institute)
41. Amami Laboratory of Injurious Animals (Institute of Medical Science)
