

Indian Student Association in Tokyo Institute of Technology -(ISAT)

➤ **Objective:**

To connect incoming and current Indians in Tokyo Institute of Technology, and to introduce fellow University students and members to Indian culture.

➤ **Detailed introduction:**

Indian Student Association at Tokyo Institute of Technology (ISAT) is a non-profitable students' association in Tokyo Institute of Technology, Japan.

ISAT shall work as the platform connecting and supporting current and incoming students at the University, in particular students of Indian origin.

As a representative of India, the group shall also aim at promoting and introducing Indian culture among other students through various activities like get-togethers, day trips, workshops, and cultural events.
