1) 7月28日(金) City Montessori School, Gomti Nagar I Campus (UP州 Lucknow)

ラクナウの日本語教師である星野先生の協力を得て、学生数世界一を誇る有力私立校で日本留学説明会を開催しました。複数のキャンパスの中で一番の進学校で12年生(高3)と11年生(高2)各470人に2回に分けて合計940人が集まりました。会場では、JSTさくらサイエンスプランで今年日本に訪問した体験について参加学生から報告して貰

い、JASSOと参加大学からそれぞれの説明を行いました。

立命館大の宿舍ルール紹介ビデオに男女学生がオートバイに乗って走る場面があり、 Bollywood映画を彷彿させたのか、生徒から大きな反応と拍手喝采が起きました。

大学紹介のみならず日本という国に興味をもってもらうことがまずは必要だと実感しました。保護者の参加もあり、積極的に質問していました。

同校主催12年生向け式典に参加し、そのプログラムの一部である進路説明会に他国(ドイツ、米国、日本、カナダ)と一緒に今回初めて参加。3,000人の学生を一堂に集めた巨大会場は、冷房がよく効いて巨大クレーン車の移動カメラと舞台には6つのスクリーンがある充実した設備があり、人口大国に相応しいスケールでした。

各国のプレゼンは以下の通りです。1)ドイツ・・・ドイツ語を学ぶ同校学生1人を登壇させて30分間ドイツ体験を説明しました。2)米国・・・留学コンサルタントが75分を使いテンプル大学の紹介と米国で活躍するインド人CEOやDEANを紹介し、

4人の同校卒業生留学をステージに登壇させて奨学金の受領金額を説明させる内容でした。3)日本・・・米国の後登壇し、30分間3,000人の生徒を前に日本と各大学をアピール、同校の出身校である先輩の留学生からのメッセージの紹介も行いました。4)カナダ・・・オタワ大学教授によるプレゼンが行われました。

'Strike affected shooting for 40 films'

D.Govindan@timesgroup.com

Chennai: The Film Employees' Federation of South India (FEFSI), a conglomerate of workers' unions representing 26 crafts involved in film making, on Tuesday said it would withdraw its strike if the Tamil Film Producers' Council (TFPC) withdraws its statement that it would not engage FEFSI members for shooting and restore the earlier agreed wages.

The TFPC said producers of about 47 Tamil films went ahead with their shooting schedules on Tuesday, ignoring the FEFSI's strike call. Shooting for another 34 films is expected to commence on Wednesday, it added.

FEFSI claimed no Tamil film shooting took place on Tuesday

FEFSI, however, claimed no shooting for Tamil films took place on Tuesday. The shooting schedule for nearly 40 films were affected due to the strike, it claimed. "The shooting for about 40 films was affected and nearly 10,000 workers, who were employed till yesterday, did not get any work on Tuesday. We

wanted to avoid such a situation from the beginning, but TFPC was not coming forward," R.K. Subramani, president, FEFSI, told reporters here. He said the previous office bearers of TFPC, under S.Thanu, had agreed on wages to be paid to workers from different crafts. However, the present office bearers have on their own decided to bring in changes to that and send out a circular. "Decisions cannot be taken based on emotions. As a result of the strike about 50 films, including Rajinikanth's *Rasika*, are affected," he said. "Even now, if the TFPC withdraws its statement of not engaging FEFSI workers and also restores their earlier agreed

wages, FEFSI workers will resume work," he said, adding, "Let them agree on one or two conditions. Work will resume. We can sit and discuss but other issues." But the TFPC began to differ. "We never said we will not work with FEFSI workers. We are not against some of the unreasonable conditions laid down by them. Even today, shooting for about 47 films happened in different places in the city and we are working with those interested to work with us," S.Karthikeyan, secretary, TFPC, told TOI. Shooting for films featuring Vishal, Vijay Anand and Arvind Swamy among others, progressed as scheduled, he said.

Six universities participate in Japan Education Fair at DU

NEW DELHI: A two-day Japan higher education fair was held at Delhi University to encourage more Indian students to take up studies in Japan.

Six Japanese universities, including The University of Tokyo, International University of Japan, Ritsumeikan University, Waseda University, and Hokkaido University participated in the education fair held at the South Campus on Tuesday.

The first day of the education fair was held at North Campus on Monday.

Officials from Japan said the country wants to encourage more Indian students to go there as currently only about 1,000 Indian students study at different Japanese universities.

Professor Aya Ikegame from the University of Tokyo said there were many benefits of studying in Japan, including the easier VISA process. "It is much easier to get a working VISA in Japan than in other countries. The fee is also much lower compared to western countries," she said.

The University of Tokyo is the coordinator in India for 'Study in Japan' initiative of the Japanese

government, she said.

She said that most students enquired about engineering and science and technology programmes being offered by Japanese universities.

"We have liberal arts, business management, engineering, and science and technology programmes. There is a perception that Japan is good with technology so we got many students enquiring about those courses," she said.

As part of its plan to reach out to more Indian students, the representatives from the universities will be visiting schools in Delhi, Lucknow, and Chennai.

yat leaders.

Following the protests on Tuesday, the authorities shut down schools and colleges for the day and cut mobile internet, frequently targeted by authorities to stop the spread of what they claim to be rumours and fake messages that provoke civilian anger.

Dujana was among 11 top militants of the valley, many of whom were categorised A++ target by the army.

Dujana's marriage, sources said, could have been the reason for a rift with his-Pakistan-based handlers.

He was challenged by one of his aides, Abu Ismail, who set up a rival faction along with some Kashmiri youth. Sources said most of militant incidents involving LeT were carried out by the rival group, including the recent attack on Amarnath pilgrims.

IG Munir Khan said Dujana was involved in "harassment of girls".

"I want to tell women and girls in the valley that they are safe now," Khan added.
