#EDEX

THE WORLD IS YOURS

The EDEX Expo gives public, private and international school students access to a world of opportunities in education and professional development. This exclusive platform allows students to stay up-to-date and leverage shifting needs, emerging careers, and trends in education.

Representatives from local and foreign educational institutes will discuss the attitudes, skills, and competencies needed by youth to thrive.

CHANGE YOUR WORLD

The EDEX Expo opens students' eyes to what is possible, showing them that they can dream big and succeed. We have empowered thousands of youth, guiding them to become the best version of themselves by reaching their full potential. They eagerly await this annual event because they know that it can change their world.

A WORLD OF CHOICES

EDEX organizes three exhibitions every year in Colombo and Kandy, giving the youth choices, options and opportunities that can transform their lives. Each exhibition is conveniently aligned with the examination schedules of post-secondary students, creating a timely platform for students and parents to discover the world of educational choices.

EDEX offers a full range of educational offers and services, allowing students to make a seamless transition from school to work and opening up a world of opportunities.
