

Higher Education in Japan Seminar in Nepal

<i>Institute</i>	SXC¹	PC²	DWIT³	KU⁴
<i>Date</i>	24 th Nov 2019	24 th Nov 2019	25 th Nov 2019	26 th Nov 2019
<i>Time</i>	11:00-13:30	16:0-18:00	9:00-12:30	11:00-14:00
<i>Venue</i>	Seminar Hall	Exam Hall	Seminar Hall	Seminar
<i>Students</i>	150	100	125	100
<i>Level of Participants</i>	High School, Undergraduate, Postgraduate	Undergraduate, Postgraduate	High School, Undergraduate, Working prospective students	Undergraduate, Postgraduate
<i>Discipline</i>	Science, Physics, Social Work, IT	Civil Engineering	IT	Engineering (Civil, Mechanical)
<i>Total Expected Attendees including Faculty</i>	160	115	135	110

¹SXC: St Xavier College

²PC: Pulchok Campus, Tribhuvan University

³DWIT: Deer Walk Institute of Technology.

⁴KU: Kathmandu University

Brief Introduction and update about the program

1. Deer Walk Institute of Technology

- <http://www.dwit.edu.np/>
- Private Institute
- Considered one of the best institute for Information Technology (IT)
- Runs two programs BSc CSIT and BCA (IT)
- There are around 255 students
- Interested targeted students for example final year BSc CSIT, BCA and class 12 students (in total around 150).

2. Pulchowk Campus, Institut of Engineering, Tribhuvan University

- <https://pcampus.edu.np/>
- Best institute of Engineering in Nepal Government Institute
- Pulchowk Campus is the central campus of the Institute of Engineering, Tribhuvan University.
- Different programs: Civil Engineering, Electrical Engineering, Electronics Engineering, Mechanical Engineering, Architecture, IT
- Pulchowk Campus offers bachelors courses, master's courses, and Ph. D. programs in different areas of engineering.
- We will focus only for around 100 civil students but few other interested students can also join.

3. School of Engineering, Kathmandu University

- <http://www.ku.edu.np/>
- Kathmandu University (KU) is an autonomous, not-for-profit, self-funding public institution Located in Kavre District around one hour (Little more) of drive from Kathmandu.
- School of engineering <http://www.ku.edu.np/departments>
- Chemical Science & Engineering, Department of Civil Engineering
- Department of Computer Science and Engineering, Department of Electrical & Electronics Engineering
- Department of Geomatics Engineering
- Department of Mechanical Engineering

- Undergraduate. Master and PhD Programs
- Students of Engineering (different background) Undergraduate and Master will join in the program
- Targeted students are 100

4. **St Xavier College**

- <http://sxc.edu.np/>
- St Xavier College, Kathmandu, is an educational institution of higher learning established and managed by the Nepal Jesuit Society.
- It runs Computer Science, major arts, management, social work, A level, Microbiology and Physics classes.
- We can make participation of more than 200 students as their program hall capacity was up to 500 students.
- Participation of students from A level to Undergraduate and graduate students
