

TELL THE WORLD

Global research outreach at the University of Tokyo

Tuesday, 26 January 2016

13:30 to 17:30, Hongo Campus

You do great research. So how do you tell the world about it?

The University of Tokyo Public Relations Office has organized a half-day seminar and poster session on the Hongo Campus about promoting your research to the world.

This English-language event is open to all researchers and students at the University of Tokyo and aims to help build networks between Japanese and foreign researchers, students and administrative staff engaged in research and research promotion.

Venue

Talks and Q&A: No. 31 Classroom, Graduate School of Engineering Building 3
Coffee break and Poster session: Exhibition Room, Graduate School of Engineering Building 2
