1. Program Objectives
Around 14 students from both UTokyo and the University of Hong Kong (HKU) will take part in this program and take classes, do fieldworks and visit companies based in Hong Kong. This premium international program started in 2014, and has taken place 4 times with a total of 111 participants so far. Students will give an overall presentation in front of people from the universities and companies, etc. at the end of the program. This program's topic is Japan in Hong Kong: Challenges for the Future, with three constituent themes, (1) Historical Perspectives of Hong Kong, (2) Japanese Businesses in Hong Kong, and (3) Hong Kong in a Global Context. The English name of the program is “HKU-UTokyo Joint Summer Program @ Shun Hing College” in respect of the donor.

5. Program Eligibility Criteria and Requirements

Applicants must meet all of the following requirements in addition to those listed in the guidelines:

1. The lectures, discussion and presentations of this program are conducted primarily in English, therefore participants must be fully motivated and possess sufficient proficiency in English. Also, as the company visit will contain some sessions in Japanese, some proficiency in Japanese will be preferable.

2. Students who need a visa to enter Hong Kong must write in the ‘Special Notes’ column of the application form indicating that they require a visa. See the websites of the Chinese Embassy in Japan as well as the Chinese Ministry of Foreign Affairs for more details on visas.

http://cs.mfa.gov.cn/wgrlh/

(For Japanese passport holders, visas are not necessary to enter Hong Kong if the period of stay is 90 days or less.)

Chinese students will need to have entry visas issued as this is an official university program.

6. Program Application, Course Registration and Credits

1. All students wishing to participate in this program must apply by the deadline and abide by all the terms and condition set forth in the guidelines.

2. The following students who wish to participate in this program must enroll in the courses indicated below during the registration period. Those who are approved to participate in the program will receive credits for this course provided that they meet the designated requirements. However, graduate students who are scheduled to graduate in the autumn will not be able to participate in this program.

1. Graduate students: All graduates including graduates in the Program for Leading Graduate Schools (Subject Code: 31D370-0220S) Winter Term (S2) 2 credits
