for others. Note that in principal, students are discouraged from withdrawing their applications after submission.)

- (5) In cases where you cannot attend classes at UTokyo for a specified period, the handling of such situations shall be determined by your faculty of affiliation. There is no guarantee that students' study abroad schedules will be taken into special consideration, therefore please confirm and make sure you understand before applying.

* In the case of the College of Arts and Sciences Junior Division, not attending classes or exams due to participation in a study abroad program will be considered as an absence, it will also not be an acceptable reason for a make-up exam. Contact the office of College of Arts and Sciences for more details.

- (6) If you already know who your supervisor is during the term in which you will be participating in the program, you must obtain prior authorization from the supervisor and obtain his/her signature on the application form. In cases where you do not have a supervisor for that term, please consult with the relevant section of the faculty with which you will be affiliated with during the program and obtain their approval.
- (7) Please only apply after consulting with the relevant section of the faculty with which you will be affiliated during the program term to be fully aware of potential academic affairs you need to know before you apply. You must obtain the signature of the persons in charge for the application form.
- (8) After passing the internal selection process and being accepted into the study abroad program, students are required to take out Japan Educational Exchanges and Services (JEES) "*Futai Kaigaku*" at their own expense (this will not be paid for by the University). Taking out this insurance will be one of the requirements for applying to this study abroad program.
