Date: January 5 - January 13, 2019

Venue: United Arab Emirates University (Al Ain, United Arab Emirates)

Target: Undergraduate and graduate students

Capacity: 1 team of 3 - 4 students (an interdisciplinary team is preferable.)

ONLY the nominated team is supposed to submit their application materials to the host institution. Also, students must apply for this program as a team, so make sure to check this application guidelines and the program details of the host institution (see the attachment) before application.

- * Further selection may be conducted by the host institution after nomination from UTokyo.

2. Eligibility/Requirements

Students must satisfy all the criteria below.

- (1) Students must be enrolled at UTokyo as full-time undergraduate or graduate students at the time of application and during the program period. (Those who are on a leave of absence from UTokyo cannot apply.)
- (2) Students must have sufficient proficiency in English to be able to produce good results.
- (3) Students must have qualifications required by each program. Applications will only be accepted if the applicant meets the language requirement, if any, at the time of the application deadline.
- (4) Before applying, applicants must make sure that the program does not interfere with their courses by checking the examination date and other important scheduled class events as well as their personal schedules. (As there is a limit to the number of possible participants in the program, withdrawing one's application after being selected leads to the loss of opportunity to study abroad for others. Note that in principal, students are discouraged from withdrawing their applications after submission.)
- (5) In cases where you cannot attend classes at UTokyo for a specified period, the handling of such situations shall be determined by your faculty of affiliation. There is no guarantee that students'

study abroad schedules will be taken into special consideration, therefore please confirm and make sure you understand before applying.

* In the case of the College of Arts and Sciences Junior Division, not attending classes or exams due to participation in a study abroad program will be considered as an absence, it will also not be an acceptable reason for a make-up exam. Contact the office of College of Arts and Sciences for more details.

- (6) If you already know who your supervisor is during the term in which you will be participating in the program, you must obtain prior authorization from the supervisor and obtain his/her signature on the application form. In cases where you do not have a supervisor for that term, please consult with the relevant section of the faculty with which you will be affiliated with during the program and obtain their approval.
- (7) Please only apply after consulting with the relevant section of the faculty with which you will be affiliated during the program term to be fully aware of potential academic affairs you need to know before you apply. You must obtain the signature of the persons in charge for the application form.
- (8) After passing the internal selection process and being accepted into the study abroad program, students are required to take out Japan Educational Exchanges and Services (JEES) “*Futai Kaigaku*” at their own expense (this will not be paid for by the University). Taking out this insurance will be one of the requirements for applying to this study abroad program.
- (9) Students may be required by their faculty to take out the “OSSMA” (Overseas Student Safety Management Assistance) provided by Emergency Assistance Japan Co., Ltd. If students are selected to participate in the program, they must follow their faculty’s instructions regarding “OSSMA” (it is the responsibility of the students to purchase OSSMA as this will not be paid for by the University).
- (10) Based on the intention from AUA, those who participated/are going to participate in AUA programs either last year or this year are not recommended to apply.
