In this coming season again, the ski tour in Nagano will be organized on Jan. 26-28, 2019.

Have no ski-stuff with you? -- No worry. Clothing and equipment can be rented.

Never done skiing before? -- No problem at all. Well experienced staff will amusingly guide you.

No prior experience is required – everyone is welcome!

This is not only an occasion to enjoy skiing and to improve your skill, but also an excellent opportunity to network with other ryugakusei from all across the world and to meet students at Otari Jr. High School. Snowball fight, cocktails, dinners and more to explore!

Your white weekend in wonder is just a few months ahead, which shouldn't be missed.

APPLY NOW from the link below before Friday, Dec. 7, 2018:

In case of too many applications, you will receive the drawing result by e-mail in three days (i.e. before the end of Monday, Dec. 10, 2018). Successful applicants are supposed to join the orientation session in the evening of Monday, Jan. 7, 2019 in Hongo Campus. Take the session as "MUST" but mail us in case of unavoidable absence. Without doing so, you might lose "draw-winning" status and miss the tour.
