◆ Use of Bicycles and Motorcycles on the Hongo Campus

The campus-wide registration system for bicycles and motorcycles was implemented on the Hongo Campus (including Asano Campus and Yayoi Campus) in AY 2007, for the purpose of achieving a safe environment for pedestrians as well as managing the efficient organization of bicycles and motorcycles. The collection of vehicle registration fees began later in AY 2009.

Those who wish to commute with bicycles or motorcycles must apply for a permit and also display their permits on their bicycles and/or motorcycles, obey all traffic rules, and park their vehicles in the designated spaces.

As a general rule, those who do not meet the application qualifications are not permitted to park on campus.

1. Application qualification
   (1) Bicycle Parking Permit (Only applies to bicycles, electric power-assisted bicycles, and other types of bicycles)
      - Faculty, staff members, and students of this University
   (2) Motorcycle Parking Permit (Only applies to motorcycles, motorized bicycles, and other types of motorcycles)
      - Students whose commute is longer than 2 km one-way, and whose need for campus entry has been approved by the President
      - Faculty, staff members, and students of this University with special needs or circumstances approved by the President

2. Registration procedure
   (1) Bicycle Parking Permit (Applies to bicycles, electric power-assisted bicycles, and other types of bicycles)
      - Faculty, staff members, and students of this University
      To get a permit, fill out the application form, bring your student/faculty ID to the dealing shops (University Co-op shops), and pay the registration fee.(Student¥1,000, Faculty and staff members¥2,500)
   (2) Motorcycle Parking Permit (Only applies to motorcycles, motorized bicycles, and other types of motorcycles)
      - Issuance of the Bicycle Parking Permit requires the purchase of a registration sticker from the University Co-op shops.(Purchase¥15,000)
      - Issuance of the Motorcycle Parking Permit requires completion of routine procedure at the Environment Group, Facilities Department, after which the registration sticker from the University Co-op shops must be purchased.

3. Expiration
   Bicycle Parking Permits and Motorcycle Parking Permits expire at the end of the academic year.
4. Parking spaces

On Hongo Campus, parking is only permitted in designated spaces. Bicycles and motorcycles parked in unpermitted spaces will be moved to a different parking space. Unregistered bicycles and motorcycles will be given a warning beforehand, and then moved and locked in a storage place for illegal bicycles, in accordance with the University of Tokyo Regulations on Traffic within Hongo Campus. Unidentified vehicles will be kept for a period of time and then eventually disposed, after a warning has been issued.

5. Compliance rules

While on the Hongo Campus, comply with the following traffic rules.
- Observe the University of Tokyo Regulations on Traffic within Hongo Campus.
- Do not lend or transfer your parking permit sticker to others.
- Attach your parking permit sticker on the designated place.
- Dismount and push your motorcycle or bicycle when using the AKAMON(Red Gate) and the Main Gate.
- Do not park in areas other than the designated locations.
- Do not park/stop on the Braille blocks.
- Turn on lights when riding/driving at night.
- Do not use the University as a substitute for a parking garage.
- If you no longer need your bicycle/motorcycle, you must dispose of your unwanted vehicles. Do not abandon it on campus.
- You are responsible for accidents involving yourself, as well as thefts and damages to your vehicles occurring on campus.
- Try to prevent noise and air pollution.
- Do not lock your bicycles / motorcycles to any structures (fences, sign boards, etc.) by using locking wires etc. (wires and locks may be cut if necessary).
- If you continue to illegally park your bicycle / motorcycle over 2 months on campus without renewing your parking permit in the new academic year, you will have invalidated your ownership of the bicycle / motorcycle and the disposal of the bicycle /motorcycle is at the discretion of the Environment Group.

For details or other traffic rules, please see The University of Tokyo Regulations on Traffic within Hongo Campus as well as the University of Tokyo website (https://www.u-tokyo.ac.jp/ja/students/campus-life/h13_05.html).
