Points to Note 2. How to choose a university?

- Think what you want to do and choose where to go.
 - DO NOT choose a university just for its “fame”. Think what you really want to study and achieve from studying abroad.
 - Select only partner universities that you are seriously willing to study at. Cancellation of applications after the internal screening is NOT accepted.

- Broaden your chances
 - Selecting only one partner universities will NOT act in your favor during the internal screening.
 - Select “wish to study at another university at the time of application if not selected by any of the three university choices during the main screening” on the Internal Application Form.

Points to Note 2. How to choose a university?

○ You can still study in English even in non-English speaking countries.

ex. Europe, Asia (University of Helsinki, ETH Zurich, University of Copenhagen, Tsinghua University etc.)

Points to Note 3. Application Form

- Clear vision for studying abroad
- Detailed plan for study at partner university
- Check the sample Application Form

CHECK the Go Global Website

*some contents are only available in Japanese

The screenshot shows the 'Go Global Website' interface. At the top, a navigation menu includes 'TOP PAGE', 'CAREER', 'PROGRAM', 'APPLICATION', 'PREPARATION', and 'CONTACT'. The main banner features the text 'from UTokyo to the World' and 'GO GLOBAL WEBSITE' over a cityscape background. A sidebar on the left lists menu items with icons: 'TOP PAGE' (calendar), 'CAREER' (compass), 'PROGRAM' (book), 'APPLICATION' (pencil), 'PREPARATION' (bicycle), and 'CONTACT' (envelope). The main content area displays a 'Where to Fly?' graphic with a world map and a 'NEWS' section with a message about the website's renewal. Three callouts are present: a green one for 'Information on Partner Universities' pointing to the 'PROGRAM' menu item, a purple one for 'Scholarships' pointing to the 'PREPARATION' menu item, and an orange one for 'Study abroad reports' pointing to the main banner area.

Contacts

- Inquiries are to be made to the relevant section of the faculty/graduate school that you belong to.
- Inquiries regarding partner universities should NOT be made directly to the partner universities (however, we recommend that graduate students contact a professor of the partner university who they would like to be supervised by in advance).
- Contact International Exchange Group for contact details of past USTEP participants.

Voice from scholars

- Learned a lot both from inside and outside the classroom!
- Made my perspective bigger, see the world and Japan differently.
- Good opportunities to re-think about my own future career path.

Final note....

- Be a “Global Leader”
- Search for yourself from scratch
- Be active, feel great!
