*The student status (i.e. Master's Course, Professional Degree Course, Doctoral Course, or Foreign Research Student) that you input at OSTA when applying is requirement for move-in. You cannot move in International Hall of Residence before the admission result is released.

*Even if you move in or move out from the International Hall of Residence in the middle of month, you must pay a full amount of monthly Accommodation Fees. Accommodation Fees are not reducible by day.

Points to notice :

(1) For the prevention of the spread of COVID-19

Please be sure to follow the instructions of “Move-in Instruction for the UTokyo Accommodations” for the prevention of the spread of COVID-19. You may find the instruction in the application result message from OSTA.

(2) Rescission of an admission of entrance

If you do not complete the procedure for move-in during the designated period without any particular reasons, your admission to the Hall can be canceled. Moreover, if you submit false personal data for the procedure, Welfare team can revoke your admission to the Hall retroactively.

(3) Usage of electricity, water and gas

You are individually responsible for setting up the use of electricity, water and gas. (You need to pay the cost of them on your own.)

Please be advised to set up aforementioned utilities a few days prior to your arrival. Because the allotted room No. may change after you receive your admission to the Hall, do not process setting up too early. If you do not set up beforehand, you cannot use the utilities. You can make reservation for the set-up through website or by phone.
