For International Students who expect delay in their arrival in Japan due to the current spread of the novel coronavirus disease (COVID-19)

International Support Group, UTokyo
Housing Office, UTokyo

This is to inform you that your term of residence at the UTokyo accommodations will be modified if there should be any delay in the date of your arrival in Japan due to the novel coronavirus disease (COVID-19). The applicable reasons for this modification are as follows: (1) Suspension of the screening procedures of the Certificate of Eligibility (2) Non-issuance/inactivation of your VISA (3) Denial of landing to Japan (4) Restriction of traveling to Japan

If you are still to be enrolled by March 2021:
1. Your room will be kept.
2. Accommodation fees will be charged from your actual move-in date/month.
   ■ International Lodges and Mejirodai International Village
      • Accommodation fees will be prorated
      Note: The common service fees at the International Lodges will be charged on a monthly basis, and will not be prorated.
   ■ Mitaka International Hall of Residence
      • Rent will be charged on a monthly basis.
      Note: All the amount regarding the "monthly reserve fee (60,000 JPY)" will be charged based on your original move-in date upon moving in.
   ■ Toshima and Oiwa International Hall of Residence
      • Rent will be charged on a monthly basis.

3. There will be no change in the original final date of your term of residence.

Please keep us updated and let us know of your expected date of arrival once your visa is issued. Be sure to include your name, application number, the name of the UTokyo accommodation that you are to stay and your room number when contacting for our convenience.

If you are rescheduled to arrive in Japan after April 2021:
1. Please cancel your present room.
   * As for your enrollment period, please follow the instruction given by the department that you are to be enrolled at UTokyo.
