**Supplement to the nomination for Academic Achievement Section, President's Award for Students**

<table>
<thead>
<tr>
<th>1. Name</th>
<th>Write your name, not the candidate’s name.</th>
</tr>
</thead>
<tbody>
<tr>
<td>2. Affiliation and position</td>
<td>3. Relationship with Candidate</td>
</tr>
</tbody>
</table>

### 4. Supplement to the candidate’s nomination

Comment on the candidate's academic studies and research, referencing the following:

1. Outline of research area,
2. Content of the study and research,
3. Approach to research, attitude toward research and study,
4. Characteristics, originality and impact of research,
5. Future possibilities for research

※It is not necessary to include all (1) to (5) above. Please write something that matches candidate’s recommendation.

※Describe in an easy-to-understand manner the characteristics of the research area and the positioning and superiority of the candidate's research in the area.

・There are no word limits. Make the layout easy to read, and please limit your description to the space provided.

※Please limit your description to the space provided.
