The Mejirodai International Village (MIV), opened in September 2019, is a place where international researchers and students in and from abroad can interact with one another on a daily basis. The 704 shared type rooms and 151 independent type rooms are all fully equipped with the basic necessary items needed to start up one’s daily life right from the start of the move-in date. In addition to its high security, the facility provides 24/7 manned management services to always satisfy the needs of its residents. What is more, the various common spaces; theater room, studio, tea ceremony room, etc. along with the convenience store and restaurant & café within the premises will sure enrich your life here at the Mejirodai International Village.
