Outbound

Partner University
= Host University

Inbound

- Universities “exchange” their own students
- You are called “outbound students” by UTokyo and “incoming students” by partner universities

Impact of COVID-19 on USTEP

- For Autumn 2021, students are permitted to study abroad on a case-by-case basis even when their destination is categorized as level 2 (avoid non-essential travel) or 3 (avoid all travel) in the Warning on Infection Diseases Levels by the Ministry of Foreign Affairs of Japan, so long as they meet requirements set by UTokyo.
- A decision on whether or not we send students out for programs in the spring semester of 2022 will be made around October 2021.
