Beyond Women's Day Strengthening Communities of Female Talent in Japan

Japan faces a shortage in female talent in the paid workforce, especially in science, technology, engineering, and mathematics (STEM) fields. Join us as we invite Ksenia Zolotareva, a Women@JP Career Pillar Lead and Senior Business Consultant at Google Japan, to speak about her experiences and strategies for strengthening communities of female talent in Japan.

Women@JP is Google's Employee Resource Groups (ERG)

Speaker

Ksenia Zolotareva

Women@JP
Career Pillar Lead ·
Senior Business Consultant

Ksenia Zolotareva is the Women@JP Career Development Pillar Lead at Google Japan, where she supports women internally and externally to increase their confidence and professional leadership skills. Outside of her advocacy efforts, she is a Senior Business Consultant with over 10 years of experience in global trade / sales. She holds a Master's degree in East European Studies from Freie Universität Berlin, and degrees in Liberal Studies and Russian Study from Waseda University and Lomonosov Moscow State University.
