* AY2022 scholarship recipients who wish to extend the grant period are required to submit the following documents:
   ① Application Form for Extension (Specified Form2)
   ② Interim Report (Form3)

7. Application Schedule
   Please note that the deadline for application will vary depending on each student’s affiliated college/faculty or graduate school. Please check with the relevant office in your college/faculty or graduate school. AY2022 scholarship recipients who wish to extend the grant period need to submit all documents to the college/faculty or graduate school to which you belong.

8. How to Apply
   (1) Please submit the application documents (paper-based) to the appropriate section in your college/faculty or graduate school before their deadline.
   (2) Please send ① Application Form (Specified Form 1 or 2) and ⑥ Grading Coefficient Calculation Table (Specified Form) in Excel format to the relevant office in your college/faculty or graduate school by their deadlines. Also, send other required documents in PDF format to them.

9. Screening and Notification of the Result
   The selection of recipients of this scholarship will be determined through internal selection at the University of Tokyo. Notification of results will be made to college/faculty and graduate school in the middle or late March 2023. We will not answer to the inquiries
regarding the internal selection and the notification of results.

10. Important Reminders
(1) Students should sign up for overseas travel insurance, study abroad insurance, etc., before their departure, which cover the study abroad period starting from the day of departure until the day of return.
(2) Please see the Go Global website (http://www.u-tokyo.ac.jp/ja/administration/go-global/) for general information concerning studying abroad and risk management for travelling overseas.
(3) Submitted application documents will not be returned for any reason.

11. Responsibilities
(1) It is the recipient’s responsibility to submit all documents required by the University of Tokyo while they are receiving the grant and are also required to submit a completion report after completing their study abroad.
(2) The monthly value of scholarship from any other body for the duration of the study abroad period does not exceed the monthly value of this scholarship.
(3) The recipients must not take up any paid employment (except for TA or RA at the host university) while studying abroad.
(4) If it becomes apparent that the recipients have made false declarations in the application forms or is deemed unbecoming a recipient, the recipients will be required to pay back all or part of the scholarship. If the recipients take a temporary leave from the host country for a whole month, or cancel the study abroad, they may be required to pay back all or part of the scholarship.
(5) If there are reporting sessions organized by the Toyota Motor Corporation, the recipients are required to participate unless there are unavoidable circumstances.
(6) Due to budgetary constraints, the scholarship may not be available after AY2024.
