Webinar

Leadership, Hereditary
Monarchy and Ruling
Empires

The Place of the Emperor in World History

This lecture - and the book on which it is based - looks at emperors and emperorship across five millennia and most of the world. It is a collective biography, a study of leadership and of hereditary monarchy as a system of government, and an insight into the huge challenges facing rulers of empire.

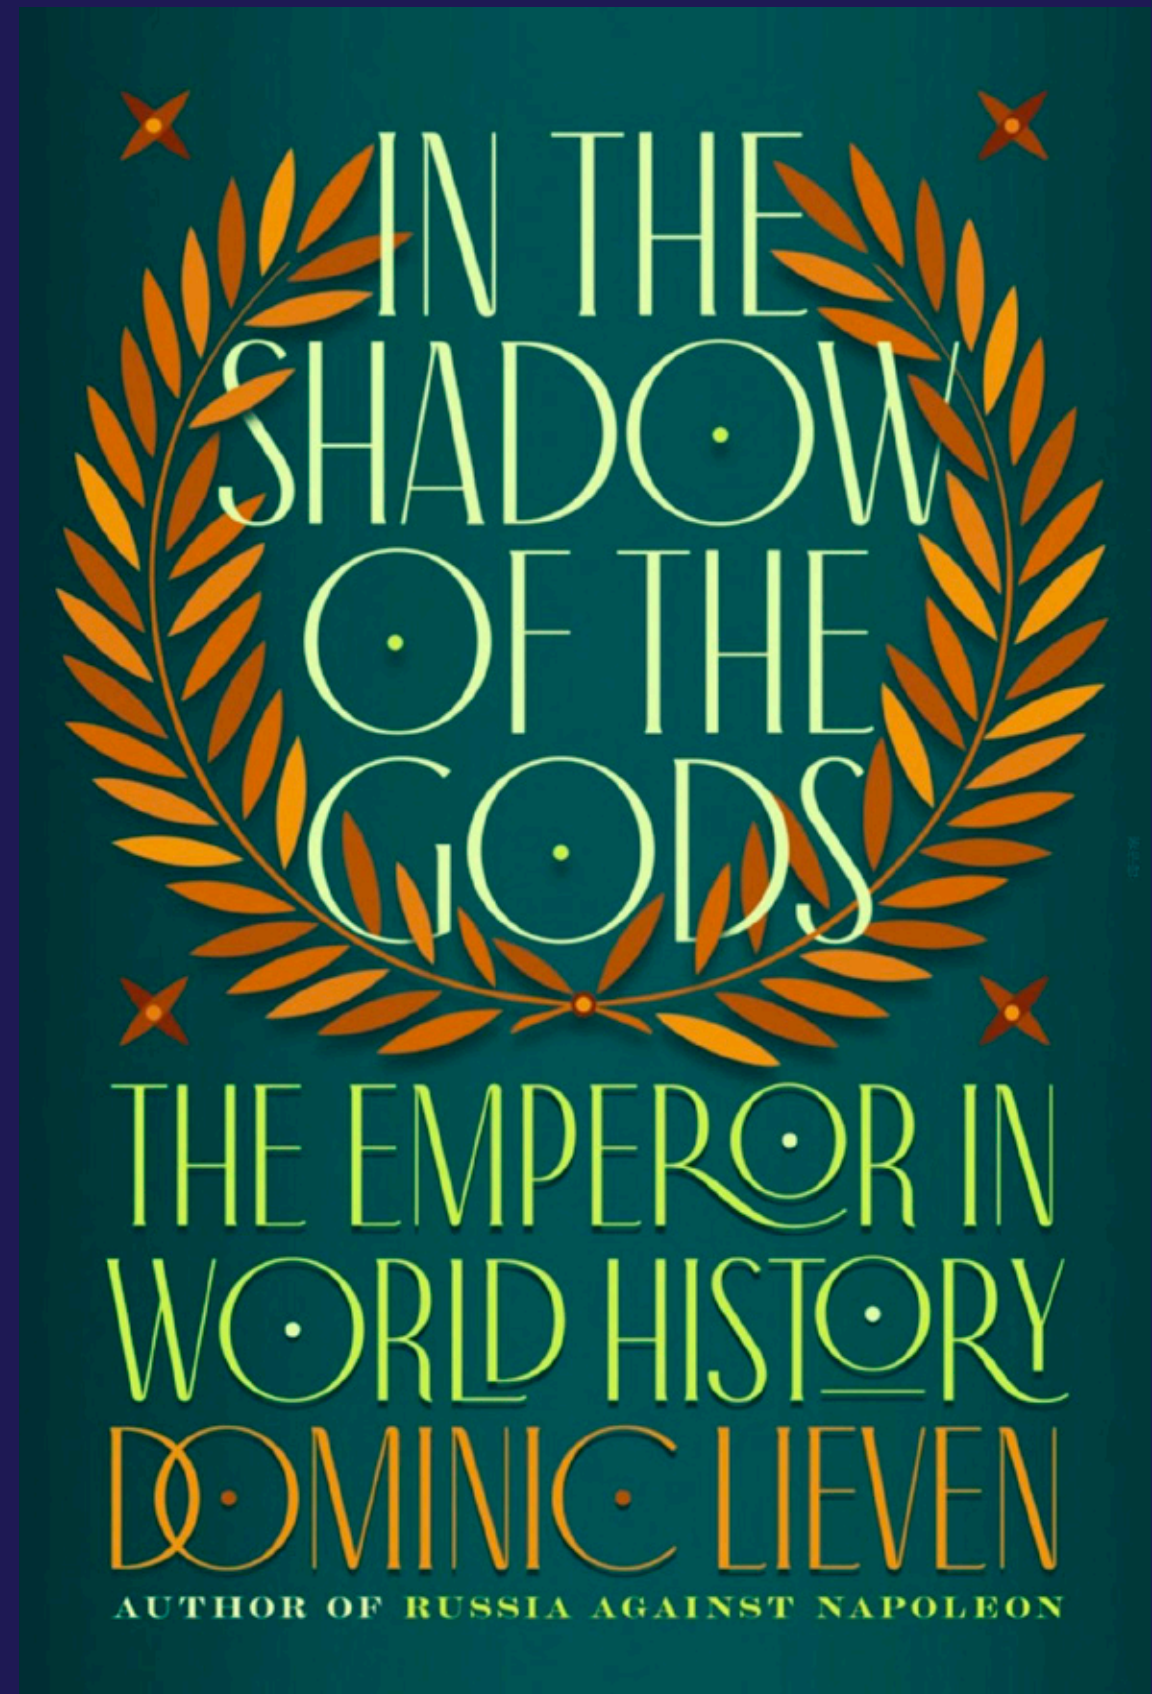

2023.1.24 [Tue.]
4:00 pm - 5:30 pm

Commentator

HANEDA Masashi

Director, Tokyo College
