

Global Young Scientists Summit 2024

Excite. Engage. Enable.

8 - 12 January 2024 | Singapore

Join us for 5 days of exciting lectures and discussions with Nobel Prize, Fields Medal, Turing Award and Millennium Technology Prize winners. You will also have the opportunity to take part in small group sessions, present your research, and visit leading science and technology institutes. Come and experience GYSS in Singapore!

Please approach your host institution to register your interest for GYSS 2024, only candidates nominated by host institutions will be considered for shortlisting.

Participants must be 35 years old or younger and fluent in English, possess a strong interest in science and research and display commitment to their principal field of study and to interdisciplinary work.

Watch the highlights from GYSS 2023 here!
