Asia Deep Dive Program

Exploring China: Sustainability, Innovation, and History

ABOUT THE PROGRAM

The AUA Asia Deep Dive Prorgram is a dynamic gathering of scholars and students from leading Asian universities, fostering in-depth discussions on pressing regional issues. This year's theme—"Exploring China: Sustainability, Innovation, and History"—invites participants to delve into China's transformative journey toward sustainability, its groundbreaking innovations, and the enduring legacy of its historical heritage.

Through a blend of lectures, interactive workshops, and cultural exchanges, the program offers a unique platform for meaningful dialogue, cross-cultural learning, and intellectual collaboration. Join us as we uncover the forces shaping China's future while appreciating the rich tapestry of its past.

KEY TOPICS

- Sustainable Development: Academic sessions covering environmental sciences,biopharmaceuticals, ocean engineering, and future human habitats.
- Urban Transformation: Insights into the rapid urbanization and innovation ecosystem of cities like Shenzhen and Guangzhou.
- Culture Heritage: Immersion into China's rich history and culture, with visits to historical landmarks in Beijing and Guangzhou.
- Technological Innovation: Exploration of high-tech industrial clusters and innovative enterprises driving China's economic growth.

清華大學 Tsinghua University

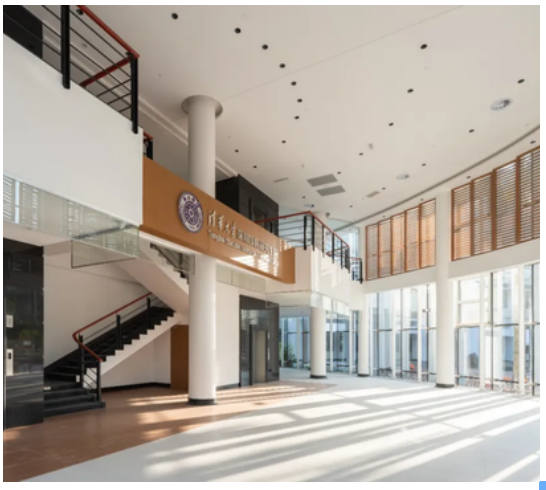
清華大學深圳国际研究生院 Tsinghua Shenzhen International Graduate School



Lectures

The program features engaging lectures delivered by our accomplished local and international faculty members. In addition, distinguished guest speakers will be invited to share fresh perspectives and highlight major developments in the field.

Culture Immersion

Experience China's vibrant culture firsthand through expert lectures, and guided museum tours across Shenzhen, Guangzhou, and Beijing. Savor authentic local cuisine while exploring each city's distinctive heritage. This immersive journey offers deep insights into China's rich traditions while creating opportunities for cross-cultural exchange.

Field trips

You will take part in city tours of Shenzhen, Guangzhou, and Beijing. These visits will give you a first-hand experience of each city's unique culture—from Shenzhen's innovation and Guangzhou's traditions to Beijing's rich historical sites—offering a well-rounded view of China's diversity.

What will be provided?

- Free registration fee for AUA members students
- Accomodation,meals,local transportation during offline program at Tsinghua and Tsinghua SIGS are all covered
- Free multicultural field trip in Shenzhen, Guangzhou, Beijing
- 500 USD travel stipend for each student
