

UTokyo Global Unit Courses (UTokyo GUC) Program Terms and Conditions

Attendance in "UTokyo Global Unit Courses" (hereinafter referred to as "UTokyo GUC") conducted by the University of Tokyo shall be governed by these Terms and Conditions (hereinafter referred to as "Terms"). If there is any discrepancy between the "details of the recruitment of students for UTokyo GUC" (hereinafter referred to as "Application Guidelines") posted on the University of Tokyo's website and these Terms, Application Guidelines shall take precedence. In addition, any matters not provided for herein shall be determined in accordance with relevant laws and regulations and generally established practice.

Article 1. (Application and Conclusion of Agreement)

- 1 Applicants for UTokyo GUC must confirm the information specified in Application Guidelines and submit a document at the time of application stating the desired course name(s), their name, contact information, university to which they belong, and other information specified by the University of Tokyo. The application fee must be paid during application period.
- 2 After the application is made pursuant to the preceding paragraph, the University of Tokyo shall notify each student (hereinafter referred to as "Student") who has been determined to be eligible to take UTokyo GUC through the prescribed procedures. A student agreement (hereinafter referred to as "Student Agreement") for UTokyo GUC shall come into effect between the University of Tokyo and Student at the time when the program fee (including consumption tax but not including any extra charges such as handling fees) is paid by Student by the payment due date specified in the letter of Confirmation of Acceptance. In the case where Student fails to pay the program fee by the payment due date and if Student still fails to make payment within 7 days after a notice is sent from the University of Tokyo to Student, the agreement will not come into effect.

Article 2. (Cancellation of Agreement)

- 1 The University of Tokyo may cancel Student Agreement after explaining the reason to Student before or after the start of UTokyo GUC if any of the following applies:
 - (1) Student does not meet the requirements for taking the program specified in advance by the University of Tokyo;
 - (2) As a result of the examination under the "The University of Tokyo Security Export Control Regulations" provided by the University of Tokyo, any matter regulated under the Foreign Exchange and Foreign Trade Control Act is determined to be applicable;
 - (3) The University of Tokyo determines that Student is unable to participate in UTokyo GUC due to illness, absence of a required caregiver, or other reasons;

- (4) The University of Tokyo determines that Student may cause inconvenience to other students or hinder the smooth implementation of the program;
 - (5) Student requests that the University of Tokyo bear a burden beyond a reasonable extent with regard to the contents of the agreement;
 - (6) The minimum number of participants required for UTokyo GUC prescribed by the University of Tokyo has not been reached; or
 - (7) It becomes, or is highly likely to be, difficult or impossible to hold UTokyo GUC due to a natural disaster, war, epidemic, riot, government order, or any other reason.
- 2 Student may cancel Student Agreement at any time. However, the application fee and the program fee will not, in principle, be refunded except in the following cases:
- (1) It becomes impossible to implement UTokyo GUC for reasons attributable to the University of Tokyo; or
 - (2) Any of the items (2), (6) and (7) of the preceding paragraph applies.

Note the refund will be made via bank transfer (credit card refund is not available). Although the University of Tokyo will cover the handling fees for transferring the refund to a bank account, any additional fees must be borne by Student.

Article 3. (Prohibition of Assignment, etc., of Rights and Obligations)

Neither the University of Tokyo nor Student shall assign the claims or obligations arising from Student Agreement, or the contractual position, to any third party without prior consent of the other party.

Article 4. (Compensation for Damages)

Student shall compensate the University of Tokyo for any damages student may cause to the University of Tokyo due to violation of these Terms or the provisions of laws and regulations.

Article 5. (Intellectual Property Rights)

Copyright and other intellectual property rights of the lectures and course materials used by lecturers of UTokyo GUC shall belong to the University of Tokyo or a person designated by the University of Tokyo (excluding any citations, etc., in course materials and lectures in which intellectual property rights belong to third parties). Provision of course materials and lectures shall not constitute an assignment or license of copyright or other intellectual property rights to Student. Student shall not reproduce, alter, distribute, publicly transmit all or part of such course materials or otherwise commit any act that infringes the copyright or other intellectual property rights or moral rights of the University of Tokyo or a person designated by the University of Tokyo.

Article 6. (Handling of Personal Information)

- 1 The University of Tokyo shall use the personal information acquired from Student for the operation of UTokyo GUC and provide it to third parties designated by the University of Tokyo to the extent necessary for such operation.
- 2 In addition to the preceding paragraph, the handling of Student's personal information shall be confirmed in the "Consent Form" submitted by Student at the time of application for UTokyo GUC.

Article 7. (Agreed Jurisdiction)

The Tokyo District Court shall be the exclusive court of jurisdiction in the first instance with respect to any disputes between Student and the University of Tokyo.

Article 8. (Consultation)

Any matters not provided for in these Terms shall be determined by the University of Tokyo and Student in consultation with each other, if necessary.

Article 9. (Effective Term of Student Agreement)

The effective term of Student Agreement shall commence upon conclusion of the agreement in accordance with Article 1, paragraph 2, and terminate at the end of UTokyo GUC stated in the Application Guidelines; however, the provisions of Articles 4 through 7 of these Terms shall remain in full force and effect even after the termination of the agreement.

Article 10. (Amendments to Terms)

Terms are subject to amendment without notice. The amended Terms shall become effective when they are posted on the University of Tokyo's website.
