UNIVERSITY OF THE PHILIPPINES
Office of International Linkages

We are delighted to share that the University of the Philippines will implement its Short-Term Internationalization Program integrating sustainable development and university social responsibility (USR). UP HIRAYA aims to provide international learning opportunities for international students with topnotch coursework matched with fieldwork opportunities for volunteer service to the communities and help cultivate solutions to grass-root issues through the indigenization of global ideas and solutions.

Below are the program components of the program:

DATE	ACTIVITY
June 17, 2024	Arrival of Participants Billeting in NISMED, UP Hotel Levelling of Expectations and Coursework Introduction Welcome Dinner Reception and Friendship Night with UP students
June 18, 2024	Coursework on Filipino Language and Culture Day 1 University Campus Tour

June 24, 2024	Airport Send-off

For this year, the program will be **offered free to UP's partners**. Interested students who wish to participate only need to work on their airfare and visa, if applicable. Accommodations and in-land transfers will also be covered by the program.

Due to class size limitations, the program will be offered on a first-come, first serve basis. Interested applicants need to submit their online application forms using the QR code in the attached publicity material on or before **May 31, 2024**. Application results will be released on **June 03, 2024**.
