The employee is deemed to have worked 7 hours and 45 minutes per day.

9. Days off
Saturdays, Sundays, national holidays and end-of-year holidays (December 29th to January 3rd).

10. Leave
Annual paid leave, special leave, sick leave, etc.

11. Conditions
To be determined in accordance with the regulations of the University of Tokyo (The precise amount will be determined in consideration of the appointee's educational record and employment experience.)
Bonus payments (twice a year), commuting allowance (up to 55,000 yen per month), and other allowances as well as a system for regular wage raises are provided in accordance with the relevant regulations of the University of Tokyo.

12. Social Security
Enrollment in the Ministry of Education, Culture, Sports, Science and Technology Mutual Aid Association, and in Employment Insurance

13. Qualifications
1) Possession of a Ph.D. Degree
2) Ability to carry out classes, thesis supervision, research and other faculty duties in Japanese and English
3) Enthusiasm for international research and exchange activities

14. Documents to be submitted
(1) Curriculum vitae (which must indicate educational record since graduation from high school and have a self-portrait photo attached. Applicants with teaching experience
should also indicate the courses they have taught).
Please use the university format downloadable from:

(2) List of achievements (divided into categories such as books, papers, oral presentations,
and professional achievements)

(3) Up to five examples of main research achievements (books or academic papers)
Please refer to item 16(1)(b) below.

(4) An outline of research and education experience to date (2,000 Japanese characters
or 1000 words in English)

(5) A plan for future research and education activities (2,000 Japanese characters or 1000
words in English)

(6) The names and contact details (institution name, telephone number and e-mail
address) of two referees whose opinions may be sought.

N.B. With the exception of Item (1) Curriculum vitae, there is no specified format for the
documents to be submitted.

15. Application deadline
Applications must arrive no later than Wednesday, September 18th, 2024. Following a
review of the application documents, candidates may be interviewed face-to-face or via
online meeting tool in October or November. In the case of a face-to-face interview, any
associated transportation and accommodation costs are to be borne by the applicant.

16. How to apply and where to direct inquires

(1) How to apply
(a) Upload to the JREC-IN Portal Web application system:
https://jrecin.jst.go.jp/seek/SeekTop?ln=1
The electronic files to be uploaded should be divided into separate files for each of
the above-mentioned documents to be submitted, with the document number (1-6)
at the beginning of each file name and the name of the applicant at the end.
When uploading, each file should be stored in a single folder and then converted to
Zip format.

(b) However, if you have research achievements that cannot be converted into electronic
media (e.g., published books), please send five copies of them to the address below
via postal mail:
Dean, Interfaculty Initiative in Information Studies, The University of Tokyo,
7-3-1 Hongo, Bunkyo-ku, Tokyo, Japan

N.B. Applications must be sent by registered mail or Yu-pack with delivery completion confirmed by the applicant. If applications must be sent from overseas, it is mandatory to use an international delivery service with tracking. The package must be marked in red ink with the words “Containing application documents for faculty position in Science, Technology and Society”. Application documents will not be returned.

(2) Please direct inquiries to
General Affairs Team, Interfaculty Initiative in Information Studies, The University of Tokyo
E-mail: soumu@iii.u-tokyo.ac.jp
Telephone: +81-(0)3-5841-5938

17. Employer’s name
The University of Tokyo, National University Corporation

18. Status of measures to prevent passive smoking
Smoking is not permitted on university premises (smoking areas are available outside).

19. Other policies
(1) Any personal information acquired from the application process will not be used for any other purpose.

(2) At the Interfaculty Initiative in Information Studies, we seek to nurture and support junior researchers, and promote gender equality, diversity and inclusion. We therefore encourage women, gender minorities, and those in junior positions to apply.

(3) The III/GSII has adopted a set of ethics policy principles; applicants should refer to these before applying: https://www.iii.u-tokyo.ac.jp/about/ethics-policy-principles

(4) If you are personally in contract with foreign governmental bodies, corporations or universities, or you are in receipt of a large benefit (financial or any other form) from foreign governmental bodies during the period of your employment, the provisions
of the Foreign Exchange and Foreign Trade Act (FEFTA) may prohibit or restrict the sharing of technologies that are designated as controlled technologies, which may make it difficult to fulfill the duties of an academic or administrative employee of the university. Therefore, in such cases it is necessary to limit the scope of such contracts/benefits so that they do not hinder the sharing of technologies necessary for your duties at the university.
