The highlight of all the past programs is always the interaction and exchange of the Japanese students and ZJU student volunteers we specially recruit for the program. All the language courses are taught in Chinese, even in those classes for beginners, the teachers would also do their best to use as much Chinese as they can, of course, some English language would be used just for some limited assistance.</p> <p style="color: red;">本学学生が集団で参加するプログラムで、参加学生は主に本学学生及び他大学の日本人学生となります。The program is primarily designed for groups of UTokyo students to participate in.
