

2025 NUS YOUNG FELLOWSHIP PROGRAMME

Applications now open,
Apply by 5 March 2025!

**THEME: AI / PHD
RESEARCH**

Join us this June for the 2025 NUS Young Fellowship Programme, hosted by the NUS Graduate School and the NUS School of Continuing and Lifelong Education.

This immersive, month-long experience welcomes bright young scholars from around the globe to discover NUS' world-class research and postgraduate opportunities. Collaborate with renowned faculty, build global connections, and take your academic journey to the next level. Don't miss this chance to be part of something extraordinary!

PROGRAMME HIGHLIGHTS

-  Engaging lectures and workshops led by NUS professors and researchers
-  Online tutorials and hands-on practice
-  Visits to cutting-edge research labs and iconic local attractions
-  Complimentary on-campus accommodation
-  SG\$600 travel allowance (upon completion of the full programme)
-  Programme duration:
 - On-campus programme: 23-27 June 2025
 - Online final presentation: late July 2025

SELECTION CRITERIA

The 2025 NUS Young Fellowship Programme is open to all outstanding candidates who demonstrate:

- Academic excellence
- Diverse personal and professional background
- Exceptional accomplishments beyond academics.
