ACADEMIC INFORMATION	
----------------------	--

LANGUAGE OF INSTRUCTION	
-------------------------	--

Most classes are taught in French; 30 modules are taught in English, 2 in Spanish and 2 in German. B2 level in French is necessary to take classes taught in French. Students who take English-taught classes (including our Certificate of European Studies (CES) programme) must make proof of a B2 level in English. No prior French language skills are required for students who take all their classes in English.

FRENCH LANGUAGE COURSES	
-------------------------	--

We offer a French language pre-semester course at the beginning of each semester at no additional cost. French language classes are also on offer during the semester.

COURSE CATALOGUE	
------------------	--

Sciences Po Strasbourg offers exchange students a wide choice of modules in subjects including Political science, Sociology, International relations, Contemporary history, Economics and business, Law and Modern languages : **[https://www.sciencespo-strasbourg.fr/international/venir-etudier-a-sciences-po-strasbourg-pour-un-semester-ou-un-an](https://www.sciencespo-strasbourg.fr/international/venir-etudier-a-sciences-po-strasbourg/venir-etudier-a-sciences-po-strasbourg-pour-un-semester-ou-un-an)**

COURSE RESTRICTIONS	
---------------------	--

Students on exchange at Sciences Po Strasbourg must take a majority of their modules at Sciences Po Strasbourg. Up to two modules may be taken at another school/faculty within the University of Strasbourg (subject to prior approval by the school/faculty concerned). No modules may be taken from the Faculty of Psychology.

Exchange students need to take a number of classes allowing them to obtain between 6 and 33 ECTS per semester.

Some modules have a restricted intake. Pre-registration may in that case be required.

CREDIT SYSTEM	ECTS
---------------	------

The number of ECTS credits awarded for each class depends on the number of contact hours and the amount of work expected from students. Most classes are credited with 3 or 6 ECTS.

GRADING SYSTEM	
----------------	--

Grades range from a minimum 0 (zero) to a maximum 20 (twenty). 10 (ten) is the minimum passing grade. As compensation occurs for regular degree-seeking students, it is not uncommon for good students to obtain a grade below 10 (ten) for one or several module(s).

TRANSCRIPT OF RECORDS	
-----------------------	--

The original transcript is sent free of charge to the student's permanent address and to the coordinator of the home university in early March for semester 1 exchange students and in early July for semester 2 and full-year exchange students.
