*Exemption

A: "○" in this column means that students enrolled in degree courses/programs offered in English at UTokyo can submit their certificate of enrollment in place of an English proficiency certificate. (This exemption does not apply to students who entered UTokyo through the general admissions or Special Screening for graduates of overseas high schools and have transferred or are transferring to the degree programs offered in English after their second year (Shingaku-Sentaku, or Admissions to Senior Division)).

B:"○" in this column means that there are other cases where exemption of submission of English proficiency scores can be made. Please see the Factsheet and websites of the partner university for further information. Please submit specified proof at the time of the internal screening by UTokyo to certify that you are eligible for those exemptions. Please keep in mind that additional documents may be required by UTokyo and/or the partner university.
