

2026

AUA POSTGRADUATE ACADEMIC FORUM ON IMMUNOLOGY

Conference Dates

June 22-24

Venue

Room D326, Medical Science Building
Tsinghua University, Beijing China

Eligibility

Ph.D. students and post-doctoral fellows (within three years after the Ph.D. degree) are eligible for application. 20 Participants will be selected on a competitive basis. Participants are required to give poster and short oral presentations. Accommodation will be covered and International travel expenses will be reimbursed based on the corresponding amount according to the region.

Application Deadline

April 30, 2026

Brief summary of the key information of program.

Program	2026 AUA Postgraduate Academic Forum on Immunobiology
Host	Tsinghua University
Program Date and Time	June 22-24, 2026. 9:00 a.m. - 5:00 p.m.
Expected Outcomes	This two-day postgraduate academic forum is designed to: <ul style="list-style-type: none"> ● Establish a scholarly platform for the presentation and critical discussion of original research in immunobiology, encompassing immune system mechanisms, host-pathogen interactions, immunotherapy, and translational immunology; ● Enhance research competencies, foster academic discourse, and promote interdisciplinary integration across molecular immunology, clinical immunology, and computational methodologies; ● Facilitate professional networking and cultivate prospective collaborative partnerships among AUA member institutions in the fields of immunobiology, vaccine development, immuno-oncology, and allied biomedical sciences.
Eligible Candidates	Ph.D. students and post-doctoral fellows (within three years after the Ph.D. degree) are eligible for application. 20 Participants will be selected on a competitive basis. Participants are required to give poster and short oral presentations. Accommodation will be covered and International travel expenses will be reimbursed based on the corresponding amount according to the region.
Number of Candidates	20
Nomination Process	The chairperson will lead the Scientific Review Committee, which will review submissions and select abstracts for online and physical presentations. Participants are required to give poster and short oral presentations.
Deadline	April 30, 2026
Fee	Accommodation will be covered, and an allowance of international travel expenses will be provided according to the region.
