

Shoichi OGIO

Director

Institute for Cosmic Ray Research

The University of Tokyo

Job No.ICRR2026-02

Call for Assistant Professor (female only) at Institute for Cosmic Ray Research, The University of Tokyo

Institute for Cosmic Ray Research (ICRR), The University of Tokyo, Japan, invites an Assistant Professor position for the KAGRA Observatory.

1. **Position:** Assistant Professor ※tenure track, one person.

2. **Job description:**

The successful candidate will analyze joint observational data from the LIGO–Virgo–KAGRA Collaboration and derive scientific results within the KAGRA project. The candidate will also participate in the establishment of international collaborative networks to promote multi-messenger astronomy, as well as in the maintenance and operation of the KAGRA Observatory. In addition, the candidate will contribute to the management of the KAGRA project and international collaboration of ground-based gravitational-wave detectors, as well as to the management of computing resources, including the KAGRA main data server.

※Scope of change: The faculty member may be reassigned, concurrently assigned, or transferred to another position. (In principle, such an order will not be issued against his/her will. For details, please refer to Article 4 of the Regulations Concerning the Employment of University of Tokyo Faculty Members.)

3. **Place of work:** ICRR (Kashiwa-city, Chiba, Japan)

※Scope of change: The University will assign the faculty member to work at a designated location. (In principle, the faculty member will not be reassigned or transferred against his/her will. For details, please refer to Article 4 of the Regulations Concerning the Employment of University of Tokyo Faculty Members.)

4. **Application Prerequisites:**

- Applicants should have a Ph.D. in a related field by the time of employment.
- Must be female.

※The University of Tokyo promotes gender equality, and in accordance with the provisions of Article 8 of the "Equal Employment Opportunity Law" (special provisions regarding measures for female workers), this open recruitment is limited to female applicants as a measure to proactively improve the current situation where the percentage of female faculty members is considerably low.

5. **Start of term:** As soon as possible after an offer is made.
6. **Term:** Five years with the possibility for a permanent position after a three-year review period.
7. **Working Hours:** Discretionary labor system, based on 7 hours, 45 minutes per day, or 38 hours 45 minutes per week.
8. **Holidays:** Saturdays, Sundays, Holidays, and the year-end and New Year holidays. (the 29th of December to the 3rd of January)
9. **Salary:** Basic salary will be decided according to your academic background, professional background, etc.
10. **Insurance coverage:** You will be automatically enrolled in the insurance from the Mutual Aid Association of MEXT and Employment Insurance.
11. **Application:** Please submit the following documents in either English or Japanese as PDF files (A4 size paper, 29.5cm x 21cm or similar) attached to an e-mail. Applicants should arrange for two letters of reference to be sent to the e-mail address below. Once the application documents are received, we will send a confirmation e-mail to the applicant. Applicants should verify they receive this confirmation after submission.
 1. Curriculum vitae,
 2. Summary of past research activities (up to 3 pages),
 3. Publication list including a list of oral presentations at conferences and workshops. Please include copies of the applicant's most important publications (up to three papers) and clearly mark these in the publication list,
 4. Possible start date,
 5. Research plan (up to 3 pages), and
 6. Declaration regarding past criminal penalties, administrative actions, and disciplinary actions due to sexual harassment and/or sexual violence etc. against students
※For 6, please download the form from the following URL
https://proself.icrr.u-tokyo.ac.jp/public/HvC0AA1Pw0RAQ5sBKyGPoMKkCGIya7_QHnpOqIP9F_iq
 7. Letters of reference or recommendation (2 letters).
12. **Application Deadline:** Application materials must be received by 12:00 noon JST on July 6th, 2026.
13. **Selection process:** Applicants will be screened on the basis of their application materials, and only short-listed candidates will be invited for interviews. We will inform details of the interview separately.

14. **Other:**

- Applications from individuals of all nationalities, and levels of research experience are welcome.
- The University of Tokyo encourages applications from female scientists in accordance with "The University of Tokyo's Declaration on Gender Equality".
- Probation period: The first 14 days of employment.
- University employee activities outside University duties should be limited to the extent that they do not interfere with the sharing of research technology at the University. In accordance with the Foreign Exchange and Foreign Trade Act, the sharing of research-related technology may be restricted if a successful applicant of the University maintains or intends to maintain concurrent employment with a foreign organization or receives a large income from a foreign governmental body or other sources.
- Second-hand smoke free environment: Smoking is prohibited throughout most of the campus of the University of Tokyo. However, there are designated smoking areas outside.
- Employment may be extended for the period of suspension due to maternity leave and childcare leave. (In accordance with Article 3 of the Regulations Concerning the Term of Office of Faculty Members at the University of Tokyo. Details are subject to further discussion upon request)

Interested applicants should send applications to the following address by the due date: **application_at_icrr.u-tokyo.ac.jp** (please replace _at_ with @) with the subject line "ICRR2026-02".

For inquiries, please contact Professor Hideyuki Tagoshi, Institute for Cosmic Ray Research, The University of Tokyo by email:

e-mail: tagoshi_at_icrr.u-tokyo.ac.jp (please replace _at_ with @)

15. **Name of recruiter:** The University of Tokyo
