共に考える未来 Shaping the Future Together

Ushioda
Fellow Series

Rethinking Japan's Political Economy in a Fractured World

How is the changing global economy reshaping Japan's future?

This lecture will explore the major political and economic challenges facing the world today, with special attention to Japan. The panel discussion will cover various issues, including geopolitical tensions, national security, supply chain risk, mounting government debt, inflation threat, potential financial fragility, AI-related investment boom, and monetary policy challenges, the conversation will examine how global change is affecting Japan and what choices lie ahead.

2026. **7.15** [Wed.]

14:00-15:15 JST (13:30 Open)

What is a Tokyo College Ushioda Fellow?

The title of Fellow is conferred with support from the University of Tokyo Ushioda Memorial Fund. It is awarded to intellectuals who, together with members of the University, contemplate and act on the future of the Earth and human society, thereby contributing to the enhancement of the University's international presence. Fellows engage in activities over a five-year period.
