Reason for Applying for Exemption	(Required) I came to Japan alone to pursue my studies, while my family remains in my home country, primarily supported by my family, but due to ▲▲ (e.g., economic difficulties, unexpected expenses, etc.) supporting me has declined. In addition, I have ▲ siblings (or children) who are currently enrolled in school, and my family is increasing. While I am trying to cover part of my living costs through part-time work, balancing it with my studies is challenging, and my financial situation remains difficult. For these reasons, I would like to apply for a tuition exemption. Thank you for your consideration.
