

Revision of Entrance Fees at International Lodges

We will revise the entrance fees for each International Lodge and apply the new rates starting April 1, 2027. Until now, entrance fees have been managed as a combination of a "room cleaning fee" and a "maintenance fee" for building management. However, in addition to an annual upward trend in cleaning costs, the dilapidation of each building has become serious, leading to an increase in expenses required for repairs and equipment replacements. Furthermore, these expenses are expected to continue to increase in the future.

In order to maintain stable lodge operations, entrance fees will, in principle, be reviewed every three years. For detailed amounts, please refer to the table below.

We appreciate your understanding and cooperation.
