→ Flywire needs your payment ID entered before your name to properly confirm your payment.
※ **Flywire Payment ID**: 15-character alphanumeric code ending in THEN●
- Beneficiary bank/branch specified by Flywire : 「受取銀行名」
- “Account Type” specified by Flywire : 「受取口座の種類」
→ Select “**Touza (current/checking account)** 「当座預金」” as the account type
- Beneficiary/ Recipient Account Number specified by Flywire : 「受取口座番号」

👉 Information You Will Need to Enter in KATAKANA

- Beneficiary bank/branch specified by Flywire
→ 「アメリカギンコウ トウキョウシテン」
- Your Name in full as specified on the online bill sent from Flywire

¥ Transfer Fees

Money transfer fees vary by financial institution. Typically, over-the-counter transactions incur higher fees than ATM transfers.

For details on the fees, please directly check with the financial institution you plan to use, as the lodge offices are unable to provide this information.

(Note) For tips on how to enter information in KATAKANA, please refer to following page.
