Testimonials from our Non-Degree Students

M. Dini Aiman bin Rosli - Universiti Brunei Darussalam 🇧🇪
Faculty of Nursing

“

Before starting this exchange program, I was very nervous, but it turned out to be the biggest glow-up of my life. I made friends from a lot of different countries and learned that I can be open. Pursuing this exchange program at Universitas Indonesia has been the one of greatest experience I've had. Although there were some difficult moments, the support from UI staff, lecturers and friends was very helpful and I am very thankful for that.

”

Anne-Roos Smeenk - Rotterdam University of Applied Sciences 🇳🇱
Faculty of Economics and Business

“

My semester at Universitas Indonesia has been one of the most eye-opening academic experiences I've had so far. Studying at UI pushed me to look at familiar subjects from a completely different angle. Each subject offered something different, and together they gave me a much deeper understanding of both business and the local context. My time at UI genuinely expanded the way I see the world, and it's something I'll carry with me long after this exchange.
