Program contents/outline	This initiative centers on entrepreneurship education through intercultural collaboration, aiming to equip UTokyo students with entrepreneurial mindsets and global competencies by immersing them in India's dynamic innovation ecosystem at IITH. At the same time, IITH students will benefit from sustained interaction with UTokyo students, gaining exposure to Japanese perspectives on innovation, problem-solving approaches, and academic cultures. This mutual engagement will foster cross-cultural awareness, encourage diverse thinking in entrepreneurial practice. •To foster entrepreneurial thinking among UTokyo students through hands-on workshops, case studies, and collaborative projects with IITH students. •To cultivate cross-cultural communication and teamwork skills through structured joint activities. •To provide students from all majors and years equal opportunity to engage in a transformative international experience. • To cultivate a nuanced understanding of Indian society and culture among UTokyo students through immersive, interdisciplinary engagement. For safety reasons, participants are not permitted to leave the campus for personal activities during the program period. Please apply only if you agree to this condition. 安全管理上、プログラム期間中に個人的にキャンパスの外に出ることはできませんので、了承いただける場合のみ応募してください。 参加学生は本学学生のみとなります。
