UTokyo Amgen Scholars Program 2027

Host Laboratory and Research Topic

Name of Faculty Member	Kazuhiro TAKANABE, Professor
Name of Graduate School / Institute	Graduate School of Engineering
Research Topic & Description	Sustainable production of hydrogen using renewable energy sources
Academic Requirements & Expectations	**1) Field(s) of Study** Physical chemistry Inorganic chemistry Analytical chemistry Material science Chemical engineering **2) Knowledge/ Skill/ Proficiency** Chemical Engineering Chemistry **3) Academic Background and Research Experience** Catalysis Energy conversion
Website & Relevant Information	https://www.catec.t.u-tokyo.ac.jp
Campus / Location	Hongo/ Yayoi
Area of Research	Chemical and Biomolecular Engineering
